## EXPERIENCE

2016 - 2020

Multiple Cosmetic Clinics | Istanbul, Turkey

### SALES MANAGER FOR AR & EN BRANCHES

I worked as a sales person who was in contact with clients all over the Arabic world. Later on I got promoted as a Sales Manager of the Arabic and English Department. The goal was to convince customers to perform their operations within our clinics. During this time I learned how to perform in very high pressured circumstances.

I learned how to manage the pressure that was on doctors or translators to reschedule and organize appointments, my job was focused on dividing clients lists to the employees and organizing the cars to reception the clients from and to the hotels and hospital and the programs for the operations dates and time with consulting the doctors and solving problems they might face in their daily tasks.

2015 - 2016

Tourist Agency | Istanbul, Turkey

### TRANSLATOR & TOUR GUIDE

My communication skills were developed by being an official Tour Guide. After arriving in Istanbul I learned the language in six months and gave tours to tourists from Arabic Countries.
